Department of Energy - FIU Science & Technology Workforce Development Program

The DOE-FIU Science and Technology Workforce Development Program is an innovative program between the U.S. Department of Energy's Office of Environmental Management (DOE-EM) and Florida International University's Applied Research Center designed to create a “pipeline” of minority scientists and engineers specifically trained and mentored to enter the Department of Energy workforce.

The Program Includes:

- HANDS ON work with mentors
- PAID SUMMER INTERNSHIPS (10 weeks) at DOE Sites
- PAID 20 HOURS per week of research work at FIU’s Applied Research Center
- TUITION WAIVER for Graduate students
- Professional DEVELOPMENT and TRAINING

Program Requirements

- United States Citizen/Permanent Resident Alien (A minimum of 4 years of Permanent residency required)
- Undergraduate or Graduate FIU students
- Minimum 3.0 Grade Point Average

Application Package must contain

- A completed application
- Two letters of recommendation from FIU faculty members
- Unofficial FIU transcripts
- Current resume

APPLICATION PACKAGE AVAILABLE AT: FELLOWS.FIU.EDU

APPLICATIONS DUE: WEDNESDAY, SEPTEMBER 26 2018
